

American Air & Water, Inc.

WARRANTY

Damage:

Merchandise damaged in transit is the responsibility of the carrier and must be noted on the bill of lading. Please notify the transportation company immediately. Copies of claim and bill of lading must be faxed to American Air & Water, Inc. - Attn: Shipping department at 843-785-2064 within three days of receipt of goods.

Warranty:

The Fogger is under warranty for 1 year. All claims of warranty require a purchase order from buyer at time of submission. Above Return Material Authorization (RMA) procedure applies, upon receipt of merchandise a review will be conducted by the Quality Assurance division of American Air & Water, Inc. Upon completion of review: replacement or credit will be issued at the discretion of American Air & Water, Inc. In the event that product is found to be free of defect or out of warranty, merchandise will be returned to customer accompanied with status report.

Replacement merchandise will be at the discretion of AA&W technical experts.

Tampering, Abuse, Negligence or use of merchandise for purpose other than those intended by Manufacturer will not be covered under replacement or warranty policy.
