

Contec® Soft-Stretch Hood

Comfortable • Water Repellant • Economical • Reusable

Contec Soft-Stretch Hood's patented triple-layer design provides comfortable protection, all day long.

Latex-free.

Wear independently for full range of head motion with unrestricted vision. For greater protection, wear with goggles or a respirator.

Protects head, face and neck from:

- Dust, soot and debris
- Paint overspray and splashing liquids
- Bugs and spider webs
- Wind and rain
- Sun and heat

Applications:

- Disaster Recovery
- Mold/IAQ Remediation
- Dirty Jobs
- Crawl Space Work/Pest Control
- Asbestos/Lead Abatement
- Meth/Crime Scene Clean Up
- DNA and Skin Particles Containment
- Critical Environments
- Cleanroom Construction
- Food Processing
- Media Blasting
- Paint Application

Caution: Hood is not intended to replace an OSHA required mask or respirator. Will not protect against high velocity particles, steam or liquids. Should not be used near flames or sparks, or in environments exceeding 200°F. When used in wet environments, wear multiple layers of hoods for greater protection against moisture.
